Pine Manor College is committed to creating a diverse community of people who can live and work in an atmosphere of mutual respect and appreciation for the rights and sensibilities of each individual, regardless of differences.

The College does not discriminate on the basis of race, color, religion, or creed, national or ethnic origin, age, handicap, veteran's status, sexual orientation, or marital status in administration of its educational policies, athletic or other programs, or employment practices and programs.

Pine Manor College welcomes first-year and transfer students, domestic or international, for fall or spring semester entrance. Students may enroll full- or part-time, as residential students or commuters.

Each candidate for admission to Pine Manor College is offered individual assessment. Applicants are encouraged to pursue a college preparatory program in high school. Transfers are advised to follow a general liberal arts curriculum in college. Qualities such as seriousness of purpose, leadership, social responsibility, motivation, breadth and depth of interests, academic improvement, life experience, and extracurricular activities are considered in the admissions process.

First-Year Admission

Candidates for admission are urged to apply in the year preceding college entrance.

Candidates should submit the following:
1. A completed application for admission, with essay, accompanied by a US $25 nonrefundable application fee. Applicants seeking a fee waiver for financial reasons should consult their high school counselor to complete a College Board fee waiver form.
2. An official high school transcript.
3. At least one letter of recommendation from a guidance counselor or teacher.
4. Results of either the SAT or the ACT. Offers of admission are conditional upon successful completion of high school.

International Admission

International students applying to the degree programs should submit the following:
1. A completed application for admission with essay accompanied by a U.S. $25 nonrefundable application fee.
2. A certified copy of secondary school records, translated to English.
3. Two letters of recommendation, one from a school counselor or professor; and one from a professor/teacher of English.
4. Official financial verification. U.S. Immigration Policy requires that international students submit current proof of financial support for at least one year’s expenses.

Options for International Students:

4-Year Degree Program

Women with a TOEFL of at least 61 Internet-based (173 computer-based, 500 paper-based) who meet PMC’s academic requirements may pursue the undergraduate program. PMC provides a high-quality education in small, interactive classes taught by thoughtful and accomplished professors. Students often say PMC is their home away from home because of our supportive and diverse community and active International Student Club.

4-Year Degree Including Enhanced First-Year Program

International students with a TOEFL of at least 45 on the Internet-based test (IBT), 133 computer-based, or 450
paper-based may choose to participate in the unique Enhanced First-Year Program (EFY).

**English Language Institute (ELI) Programs**

Intensive language classes for both women and men start every four weeks. Semi-intensive English, University Preparation, TOEFL, Business English, and private classes are also available.

**Transfer Admission**

A student is considered a transfer student if she has attempted and/or completed more than 12 credits at another higher education institution. Requirements for applying as a transfer student include:

1. Completed application form with $25 application fee.
2. An official transcript of academic work at previous college(s).
3. A high school transcript if fewer than 24 earned credits at previous college(s).
4. One recommendation letter from a college faculty member.

A minimum GPA of 2.0 is required to transfer to Pine Manor College. The number of credits granted for prior college-level work is determined by the Registrar. Only grades of iC-i or higher are acceptable for credit. Noncredit or remedial courses are not accepted for transfer.

**Interview/Campus Visits**

All prospective students are encouraged to visit our campus for a personal interview. Although not required, information shared during an interview is beneficial. In addition to an interview, the College urges you to visit classes in progress. Tours and individual appointments with faculty and administrators may be arranged by calling the Admissions Office at 1-800-PMC-1357.

**Advanced Placement and International Baccalaureate**

Refer to page 25.

**Acceptance Deposit**

Upon acceptance to Pine Manor College, students will be asked to submit a tuition deposit of $250. This deposit should normally be received before May 1 for fall enrollment and before December 1 for spring enrollment. The tuition deposit is nonrefundable. Upon enrollment, it will be credited to the student’s first semester charges.
Tuition and Fees

Full-Time Undergraduate Students for 2009-2010

Tuition

$20,189 per year
(billed at $10,094.50 per semester)

This includes instruction and use of academic facilities, student activities, and Women's Health and Wellness Center, except for some miscellaneous fees. Covers a maximum of 19.5 academic course credits per semester. (Note: certain College activities, such as varsity sports or teaching assistance, earn additional academic credit and bear no extra tuition charges, but may have fees related thereto.)

Residence Fee

$11,670 per year, inclusive
(billed at $5,835 per semester)

Covers the use of a double room and includes full meal plan while the College is in session. On a space-available basis, single rooms may be obtained at an additional cost of $1,525 per year. (Note: the included full meal plan is required for all resident students.)

Part-time Students for 2009-2010

Matriculated full- and part-time degree students pay all College fees as may be appropriate to their activities and use of College facilities. Nonmatriculated, Continuing Studies students are exempt from most College fees (except as may be individually assessed for parking, transcripts, and the like), and are limited in the use of College facilities.

Matriculated part-time students pay tuition based on a rate of $615 per credit and are limited to eight credits per semester. No other services or access to campus facilities are included.

Nonmatriculated part-time students pay tuition based on a rate of $510 per credit and are limited to eight credits per semester. No other services or access to campus facilities are included.

Matriculated part-time students are entitled to one consultation session per semester with a Learning Resource Center (LRC) tutor, without charge, to determine academic support needs. Students will be charged at the rate of $40 per hour for additional sessions with LRC tutors. Accommodations in accordance with Section 504 of the Rehabilitation Act of 1973 are provided at no cost.

Other Required Fees

Residency Deposit
A $250 residency deposit each academic year is due for all resident students by August 16. There is a $125 charge ($150 for a double room requiring two keys) for non-return of keys at semester checkout. Any assessments for damages to College property by a student or non-return of keys are first charged against this deposit, but do not limit liability to the amount of the deposit. Unused balances are credited to the student's account at the end of the academic year and carried forward as a credit to the next year's deposit.

Optional Fees

Course Overload
A course overload fee is charged as follows:

- 20–23.5 credits $1,600
- Above 24 credits $3,200

Audit Fee
The fee to audit a course is $120. Auditing policy is discussed in the Academic Policies section.

CPL Portfolio Evaluation
The fee for portfolio evaluation is $450. Refer to Credit for Prior Learning, page 21.
Private Instruction in Music
A yearly fee is charged for private instruction—26 weekly lessons of 50 minutes each—in voice, piano, organ, harpsichord, and orchestral instruments. These fees are in addition to tuition and are required of all students enrolled in music lessons, including cross-registrants. Please inquire at the Business Office for current charge.

Vehicle Registration
Resident students $125 per year
Commuter students $75 per year
Students enrolled in Marine Studies Consortium classes and/or the certificate programs are not billed for vehicle registration, but are required to display a pass that is available from the Director of Campus Safety.

Other Charges
Changes to this list are made at the College’s discretion.
- Late registration fee $100
- Late Internship contract fee $50
- Official transcript fee $5
- Orientation fee $150
- Returned check fee $50
(Facilities available to resident students only)

Adjustment of Fees
Because costs of operation are constantly changing, the Board of Trustees reserves the right to change tuition, board, and room rates, and other such fees.

Payment Plan
Charges for the academic year are billed according to the following schedule:

Fall Semester
1. In mid-June, bills for the first semester will be mailed to the families of all students. Full payment in advance is due no later than August 1, 2009. Students with a past balance (anything prior to Fall 2009 semester) will not be allowed to register for classes without prior clearance.

2. The most current financial aid awards will be attached to the semester bill. However, this balance may not include credits, awards, or loans that remain pending. Actual reconciliation of awards will be made by October 7, 2009, although it is still the responsibility of the student to apply for and/or obtain the actual funds from the appropriate source.

3. A student’s inability to comply with all required financial aid documentation by October 7, 2009, may result in the loss of Pine Manor grant money. (Example: Failure to submit documentation/processing material for a $3,000 Stafford loan will result in the loss of $3,000 PMC grant money.) Failure to obtain grants/loans as outlined in the Financial Aid award letter will require immediate payment of funds owed the College.

Spring Semester
1. In November, bills for the second (Spring) semester will be mailed. Full payment in advance is due no later than January 2, 2010. Students with an unpaid Fall 2009 semester balance will not be allowed to register for Spring 2010 classes without clearance from the Bursar’s Office.

2. The same procedure for financial aid will be in effect. Reconciliation will be made by February 16, 2010, and all documentation is due by the same date.

General
A late fee of $100 will be assessed for any payments made after the applicable deadline. In addition, interest, at the stated rate of 1% per month, will be charged on any amounts overdue beyond 30 days.

Optional Budget Plan
Parents may budget tuition cost through the Tuition Management Company (TMS) of Rhode Island. Information on these services is sent to all students along with the Fall billing. Other than the TMS
program, the College does not provide direct extended payment plans for individuals. Those requiring extended payment plans should contact TMS directly as soon as possible. TMS brochures are normally included with semester bills and are available through the Admissions Office or from the Bursar.

Refund Policy

Pine Manor College has undertaken long-term commitments for the benefit of all its students on the assumption that students who enroll will remain for the entire year. When a student withdraws before the end of the year for whatever reason, commitments made by the College on her behalf nevertheless remain and must be paid. Pine Manor College's policy for refunds represents an attempt to be fair to the withdrawing student in light of the obligations the College has undertaken on her behalf.

Pine Manor College's policy regarding refunds is as follows:
1. Tuition and board refunds may be granted only for official withdrawal from the College following the receipt by the Registrar of the required completed and signed form. Absence from classes does not constitute withdrawal. Generally, refunds for semester-length courses are granted as follows:
   a. Students withdrawing at the College's request for academic or disciplinary reasons may, at the discretion of the Financial Review Board, receive a prorated refund or credit for tuition and residence fee based on the number of full weeks remaining in the semester, after the week of the withdrawal.
   b. No refund is granted when a student withdraws from individual courses.
   c. All students who receive student financial assistance (SFA) and withdraw on or before the 60 percent point of a payment period or period of enrollment will have a prorated refund calculated. Up through the 60 percent point in each payment period or period of enrollment a pro rata schedule is used to determine how much SFA program funds the student has earned at the time of withdrawal. After the 60 percent point the student has earned 100 percent of program funds, and no refund calculation is required.
   Calculation of the refund is determined by the amount of SFA earned and the percentage of the payment period or period of enrollment completed. According to the Student Financial Aid Handbook, if the student withdraws on or before she completes 60 percent of the payment period or period of enrollment, the percentage of SFA earned is equal to the percentage of the payment period or period of enrollment for which assistance was awarded that was completed. If the student withdraws after she has completed 60 percent of the payment period or period of enrollment, the percentage earned is 100%.
2. Student financial aid refunds are distributed in the following order:
   a. Unsubsidized Federal Stafford loan
   b. Subsidized Federal Stafford loan
   c. Federal PLUS loan
   d. Federal Pell grant
   e. Federal SEOG grant
   f. Other SFA programs
   g. Other federal, state, private, and institutional sources of aid
   h. The student

Semester-Length Courses
   During first week of classes 80%
   During second week of classes 60%
   During third week of classes 40%
   During fourth week of classes 20%
   None thereafter

3. Residence, health, and student activity fees are not refundable. The Vice President for Finance and Business will make the final decision on any refund.
Insurance

Participation in the College's accident and health insurance plan is mandatory unless the student provides satisfactory proof of coverage at the beginning of each academic year under another plan (i.e., the policy carrier, policy holder, and policy number); and the student files an online waiver form. This alternative policy must have a U.S.-addressed carrier and phone number.

Waiver information is sent at the time of first billing. An online application for coverage or a waiver must be received before classes begin, and no retroactive refunds will be made. For students who miss the deadline date, a petition to waive must be submitted directly to the insurance carrier and will be reviewed on a case by case basis.

The Vice President for Finance and Business will make the final decision on any insurance fee refund.

Good Financial Standing

Students are expected to pay all required tuition, fees, and other charges by the deadlines indicated as a matter of College rules and community responsibility. A late fee of $100 per semester is assessed to students who have not paid in full by the deadline, pending verified financial aid and loans to be deducted from their account. If such charges are not paid on time, the Registrar and the Controller are notified. Such students may be denied the opportunity to register, to receive final grades and transcripts, or to graduate, or, in some circumstances, be denied access to College facilities, until all obligations are properly discharged. Students are responsible for the payment of all accrued interest and litigation fees attributable to the collection of their account. Students may appeal a late fee charge, in writing, to the Vice President for Finance and Business.

Leave of Absence

A student who wishes to retain her status as a matriculated student but does not take any courses during a semester, must pay a continuous registration fee of $100. This fee entitles her to access the library and computer resources of the College during her leave of absence and ensures that she will receive all registration materials and information for the following term. When she returns to the College, $50 will be credited to her next tuition bill.

Financial Aid

Pine Manor College offers a full array of financial assistance to students, including need-based aid and merit-based scholarships.

Students who demonstrate financial need may receive financial aid from Pine Manor, Federal and state programs and may be in the form of grants, scholarships, loans and/or work-study funds. Merit-based aid is available from Pine Manor College, based on academic achievement and demonstrated ability for leadership among peers and within the community. Private and government-sponsored loan programs, which are not dependent on financial need, are also available to students.

Students may generally expect to receive similar aid awards each year, provided that the student's eligibility remains consistent and that she makes satisfactory academic progress.

Satisfactory Academic Progress (SAP) for financial aid purposes is determined as follows:
1. Students must maintain a cumulative grade point average of 2.0
2. Students must earn 2/3 or 67% of the credits they attempt
A student’s progress is reviewed at the end of each Spring semester. Students who are not meeting the requirements for SAP will be placed on Financial Aid probation for a period of one academic year. During this period, students are given the opportunity to regain good academic standing while still receiving financial aid. If, after this probationary period, a student still fails to meet the SAP requirements, she will lose her eligibility for financial aid until such time as she again meets the requirements. This decision may be appealed, in writing, to the Director of Financial Aid.

**How to Apply for Financial Aid**

The priority deadline for financial aid applications is May 1 for the next academic year, beginning in the Fall. Applications received after this date will be reviewed on a funds-available basis only. To be considered for financial aid, the student must complete the Free Application for Federal Student Aid (FAFSA), available in most high schools and in the Financial Aid Office at Pine Manor College. Students may also submit the FAFSA electronically at www.FAFSA.ed.gov. There is no fee for filing electronically. The student must indicate on this application that her information is to be reported to Pine Manor College, FAFSA code #002201.

All students must reapply for financial aid each year.

Federal and state awards are contingent upon legislative appropriations, which are subject to change. These changes may affect other components of the financial aid package. Students must comply with verification requirements and submit necessary documents before an award is made final and funds disbursed.

Non-need-based assistance received from sources outside of the College must be reported to the Financial Aid Office. The College will make every effort not to reduce existing awards, provided that the entire package does not exceed the cost of attendance.

Notification of financial aid to incoming students is usually made prior to the May 1 candidate’s reply date. A student who has not received notification of financial aid by this date may request an extension on her Admissions commitment form and reservation agreement.

Returning students are expected to reapply for financial aid by May 1. Notification of financial aid to returning students is usually made during the month of June.

**Need-Based Grants, Loans, and Work Study Programs**

The FAFSA must be filed for consideration of all need-based grant, loan, and work study programs listed below:

**Pine Manor College Grants**

Pine Manor College grants are applied toward educational costs incurred at Pine Manor College only. These funds may not be used for study abroad, study in Washington, DC or at any other college or university.

**Federal Pell Grant**

Eligibility for these funds is determined by the federal government.

**Federal Supplemental Educational Opportunity Grant (FSEOG)**

These funds are made available to Pine Manor College by the federal government and are awarded to Pell Grant recipients only.

**State Scholarships**

Various states offer need-based scholarship programs. Eligibility is determined by the state in which you reside. Please check application requirements with your state office. The deadline for Massachusetts residents is May 1.

**Federal College Work Study**

This part-time employment is funded by the federal government and Pine Manor College. Students are paid bi-weekly for the hours worked.
Federal Subsidized Stafford Loan
This loan is guaranteed by the federal government. Repayment begins six months after the student graduates, withdraws, or drops below half-time status.

Federal Unsubsidized Stafford Loan
Students who do not qualify for the Subsidized Stafford Loan are offered this loan program. The student must either pay the interest while she is attending school or permit the interest to be capitalized until repayment begins.

Merit-Based Scholarships
Applicants to the College are automatically considered for all scholarships. Listed below are the merit-based scholarships. You may contact the Financial Aid Office for more specific information.

- Pine Manor College Distinguished Scholar Award
- Presidential Scholar Award
- Faculty Scholar Award
- Margaret Elkins Leadership Award

Outside Scholarships
It is the student’s responsibility to provide the College with any information regarding outside scholarships. The student is responsible for ensuring that the provider of the scholarship receives any and all documentation required. The College is not responsible for the loss of an outside scholarship if the student does not meet the requirements of the scholarship.

Directions to Pine Manor College

By Car
From North, South or West of Boston:
Follow Route 128 to the exit for Route 9 east (Brookline-Boston). Proceed on Route 9 for 3.5 miles. Then turn right onto Hammond Street (there will be a CVS and a Gulf station on the left and an Exxon station on the right.) Take an immediate left onto Heath Street. The entrance to Pine Manor College is 1/2 mile on the right at 400 Heath Street.

From Downtown Boston:
Follow Route 9 west (Huntington Avenue which becomes Boylston Street) approximately 5-6 miles to Chestnut Hill. Turn left onto Hammond Street (there will be an Exxon station on the left and a CVS and a Gulf station on the right). Then take an immediate left onto Heath Street. The Pine Manor College campus is 1/2 mile on the right at 400 Heath Street.

From Logan Airport:
When leaving Logan Airport, follow signs to the Sumner Tunnel. At end of tunnel, bear right behind sign, go up ramp onto the expressway North. Follow signs to Storrow Drive West bearing right after 3/10 of a mile. Once on Storrow Drive, take the left exit marked Kenmore-Fenway. Bear left toward the Fenway and then bear right onto Boylston Street Outbound (which turns into Brookline Avenue). At the end of Brookline Avenue, bear right onto Route 9 West. Continue for 2.6 miles then take a left onto Hammond Street (there will be an Exxon station on the left and a CVS and a Gulf station on the right.) Take an immediate left onto Heath Street and proceed 1/2 mile to the Pine Manor College campus which is on the right at 400 Heath Street.
D (Riverside) Line to Chestnut Hill stop

By Public Transportation

From Boston:
From any Green Line Outbound station, take a train marked “D” or “Riverside.” Get off at the Chestnut Hill stop, go upstairs and take a left onto Hammond Street. Cross Route 9, and then take the first left onto Heath Street. The Pine Manor College campus will be 1/2 mile on the right at 400 Heath Street.

From Logan Airport:
Take the airport shuttle bus to the Airport subway station and take the Blue Line inbound to the Government Center stop. Transfer to the Green Line outbound and follow the directions listed above. Pine Manor College is located just off Route 9 in Chestnut Hill.
