

Program Evaluation

ASSESSING THE SUCCESS OF OUR ACADEMIC PROGRAM

Please evaluate the effectiveness of our academic major in providing students with the skills and knowledge they need to be successful in careers related to our disciplines. If possible, please cite specific examples to support your evaluation. If your site requires skills or knowledge that does not fall into any of these categories, please explain what they are.

LEARNING GOALS OF THE MAJOR IN SOCIAL AND POLITICAL SYSTEMS

	Beginning --> Accomplished				
	1	2	3	4	NA
Mastery of substantive knowledge relevant to the internship setting					
Write effectively and professionally in language of social science, as appropriate to the organization's needs.					
Think critically and analytically about social and political problems.					
Ability to evaluate evidence qualitatively and quantitatively.					
Have a sense of personal "agency" – of efficacy within the social and political context.					

Are these learning objectives appropriate for your site or professional area?

Describe any additional learning goals that you recommend be added for majors in Social and Political Systems. Thank You.
