Adult Degree Completion Initiative in Early Education
An 18 to 24-month* adult degree completion and certification opportunity in Early Education.

*dependent on credits transferred

Your Success is Our Success
Pine Manor College’s Adult Completion Initiative in Early Education is an 18-24 month pathway program leading to a Bachelor of Arts (BA) in Early Childhood: Education, Health and Leadership. Our program is geared toward working adults and provides a flexible schedule that promotes lead teacher certification, Associate’s Degree, and finally, Bachelor’s Degree.

Highlights of the program:
• 8 -10 credits per semester/session
• Competency based coursework
• Emphasis on experiential learning
• Weekend and evening offerings
• Online class offerings
• On-campus academic support
• Standardized and objective process for crediting competency/life experience

What makes this program unique?
In addition to flexible class schedules to accommodate working professionals, this initiative offers:

• An Individual educational/life plan for each student admitted
• A small cohort of 8 -10 students
• Tutoring
• Contextualized English acquisition and support, if needed
• Student Success Coach
• Credit for Prior Learning (CPL)*

*Credit for Prior Learning (CPL) affords students the opportunity to earn credit for work and prior life experience through a portfolio assessment process. Up to 44 CPL credits can be earned for nontraditional learning that has occurred since graduation from high school. $450 portfolio fee due at time of submission.

Admissions Requirements:
At least 8 transferable college credits

Application Process:
Visit www.pmc.edu/adult-degree-apply

Cost:
$500 per credit. Financial aid based on eligibility.

Program Coordinators:
Marie St. Fleur, JD, is a passionate organizational leader and consultant. With 30 years of legislative, municipal and legal leadership linking public and private resources, she facilitates transformational changes that enhance the quality of life in vulnerable communities.

Sandra McElroy, EdD, is Professor of the Early Childhood: Education, Health & Leadership Program at Pine Manor College and is a dedicated and accomplished educator who has over 30 years of experience guiding and supporting students.

Diane Mello-Goldner, PhD, is Dean of the College and a member of the Pine Manor College community for over 20 years who has demonstrated great commitment and mentorship to our students and the Pine Manor College community. She has served as a faculty member for the psychology department since 1994.

In addition, this initiative will bring together staff and faculty collaboration throughout the Pine Manor College community including: Academic Advising, Student Success Coaches, Learning Resource Center tutors, Library and Information Literacy support, and Financial Aid guidance.

Spring classes begin week of January 22, 2018
