

International Student Verification of Financial Support

Pine Manor College must verify the financial support of international applicants before issuing a Form I-20 used to apply for an F-1 student visa. In addition to completing this form, the applicant's financial sponsor, parent, or guardian, must provide an official letter from a bank certifying that the sponsor has sufficient funds (please note the US currency equivalent) to pay for at least one year of study at Pine Manor College. Furthermore, the student must submit a copy of his/hers passport for identity verification purposes. ***This form is to be completed by the student and his/her financial sponsor and returned to the Office of Admissions.***
